## **ABN AMRO Bank N.V. to close MeesPierson operation in Curacao**

ABN AMRO Bank N.V. today announces to discontinue its Curacao based activities and to close the operation by the end of this year.

ABN AMRO Private Banking's strategic focus is to be a leading European private bank with growth ambitions in Asia. As such, a presence in Curacao is no longer in line with this strategy. Also, the scale and growth opportunities of MeesPierson in Curacao are too limited for ABN AMRO.

MeesPierson in Curacao employs 43 people. A social plan is in place for staff. Private banking clients will be offered the opportunity to continue their banking services elsewhere with ABN AMRO.
